

NovaTech Business Travel and Expense Policy

NovaTech Solutions Inc. — Internal Human Resources Policy Document [FICTIONAL SAMPLE]

1. Overview and Pre-Travel Approvals

This policy governs all business travel and legitimate out-of-pocket business expenses incurred by NovaTech employees. All travel requiring overnight lodging or airfare must receive pre-authorization from the departmental VP via the NovaTravel tool.

2. Flights and Lodging Guidelines

Domestic flights under 6 continuous hours must be booked in Economy Class. International flights with continuous flying time exceeding 8 hours are eligible for Business Class booking. Hotel room rates are capped at \$200 per night for standard tier cities and \$300 per night for high-cost metropolitan areas (e.g., New York, London, San Francisco, Tokyo).

3. Daily Meals and Per Diem Allowances

NovaTech provides a fixed daily per diem for meals and incidental expenses: \$75 per day for domestic travel and \$120 per day for international destinations. Alcohol is excluded from company reimbursement.

4. Expense Submission and Reimbursement Process

How are travel expenses reimbursed? Employees must submit all legitimate business travel expenses through the NovaExpense online portal within 15 calendar days of trip completion. Every expense item exceeding \$25 must have an attached, clear, itemized digital receipt. Submissions are reviewed by the reporting manager and Finance department, and approved reimbursements are disbursed directly into the employee's bank account in the subsequent payroll cycle.
